Good Prices; Cantaloupe Day Program Ready.

Forty-three carloads of El Paso val-ley cantalouses had been shipped from Clint at the close of business last night and H. J. Gray, secretary and mana-ser of the Cantalouse Growers asso-

day, and the order was increased again for tomorrow.

Mr. Gray says the melons are bringing exceptionally good prices and are reaching the New York and Chicago markets in five condition. The first say was zold in New York and the rices received were as follows:
Standards \$2 per crate.

Finis (smail), \$1 per crate.

Jumbos. \$2 per crate.

Jumbos. \$2 per crate.

Jumbos. \$2 per crate.

An increase in price is expected daily.

Sefore the season ends a considerably tigher price is expected.

Mr. Gray and the people of Clint are arranging for the celebration of cantacoupe day on August 18, and are presented on the proposed of the proposition of the proposition of the people from El Paso, Yaleta and ther points in the Rie Grande valloy. They promise free cantaloupes for

other points in the Rio Grands valley. They promise free cantaloupes for everybody who comes and brings a spoon to est with.

Cant LeRov Elitings, whose troopers are to give some fancy drills in the afterneon is daily working with the men and perfecting them for their exhibition. Capt. Elfinge's troop was formerly stationed at Fort Meryer, Va., where it had the reputation of being the "show troop" of the army. Its drills were featured in the entertainment of distinguished international visitors at Washington. Most of the afterneon of cantaloupe day will be occupied with evolutions by this troop of cavalry.

roa" to El Paso to Advocate the Cause of Frobbition.

Frank W. Emerson, of California, representing "the flying squadron" of America, will be in El Paso on Friday evening of this week and will conduct a conference in the First Christian church with the temperance workers of El Paso.

The "Flying Squadron" of America is an organization headed by the most prominent prohibition workers in the United States, and representing all the leading temperance organizations in the country. It proposes to conduct a campaign in the interest of nation-wide prohibition, visiting 150 cities during the coming season and conducting institutes and relieve in each of them. J. Frank Hanly, expovernor of Indians, is the president of the organization.

The nursues of Mr. Emerson's visit

Indiana, a the president of the organitation.

The purpose of Mr. Emerson's visit
to this city is to arrange for the coming of the "flying squadron" to Ei
Pase some time this fail. While the
meeting Friday visining will be in the
nature of a conference rather than a
mass meeting, nevertheless, Mr. Emerson will deliver a brief address and
contribudy interested in the prohibition
of the liquor traffic is confinity invited to be present, according to Rev,
P. J. Hise, who announces the meeting.
No admission fee will be charged, and
no offering will be expected.

Gen. Scott Talks to

While at White House While at While Flouse

Washington, D. C., Aug. 5.—Indian war days were vividly recalled at the white house when Two Moons, one of the primipal chiefs at the Custer massacre, met Brig. Gen. Hugh L. Scott, one of the few army officers of today who naw the frontier campaign. Gen. Scott greated Two Moons in the Indian sign language and visitors were entertained by seeing the two conversing with their hands.

Two Moons was taken to the white house by commissioner Cato Sells, of the indian affice, and introduced to president Wilson. After the call at the white house, Two Moons was taken by Gen. Scott to his office at the war department, and there the two lalked ever the old days on the plains. Two Moons was once a secur for Gen. Scott.

First Fall in Values Is 21/2 Cents a Bushel; Many Large Sales Made.

Chicago, Ill., Aug. E.—England's actival enfrance into the war was signalized today by a drop of prices in wheat. Opining prices were it to 1%; under Tusckay night. After the fall it values had reached I cents, a reaction began and the market railled more than a cent a bushel. The chard popions in wheat were the weaker. Some of the largest houses in the trade were conginuous on the selling side. The close was strong, 1% to fice above last night.

Failure of expected rains made the corn market strong. After starting is off to ign up and according a little further, the

UNABLE TO PREVENT WHEAT CONGESTION

Austin, Tex. Aug. 5.—Although advised that 10,000 carloads of wheat valued at \$10,000,000, is en route to Galveston, the state railread commission, through commissioner Williams, today abnounced its inability to prevent the congestion. The announcement by shipping companies that no cargoes would be received for foreign ports, was made following the start of many large shipments. H. H. Haines, traffic manager of the Galveston chamber of commerce, today conferred with the commission in regard to the matter.
